## Academic Excellence International Masters Scholarship, University of Essex, UK

<http://scholarshipsbank.com/academic-excellence-international-masters-scholarship-university-of-essex-uk/>

Our new **Academic Excellence International Masters Scholarship** supports overseas students who are funding their own studies at the [University of Essex](#). We are offering a scholarship worth £2,000 if your grades in your first [degree](#) are equivalent to a UK first class degree.

This new scholarship scheme is for students seeking to join our University in October 2013. [Awards](#) will be made on the basis of grades obtained in your first degree, so all applications for relevant courses will automatically be considered. The scholarship is awarded as a partial tuition fee waiver and is available for students on [postgraduate](#) taught courses (excluding MBA).

All our relevant course applications, received by the given deadline, will automatically be considered for this scholarship and a fee discount applied to all who meet our grade requirements.

### Eligibility

- These scholarships are restricted to applicants who are overseas fee payers and are entirely self-funded. They are not available to students who are fully or partly sponsored.
- Students must have been awarded a first degree with a grade equivalent to a UK first class honours [bachelor's](#) degree.
- Only one scholarship award can be made per student and the award cannot normally be held in conjunction with other University of Essex scholarships.
- These scholarships do not apply to deferred entry. Where a student, to whom a scholarship has been offered, requests deferred entry, the award will be considered again in line with the terms and conditions that apply in the new proposed year of entry.

### How do I apply?

- These scholarships will be awarded on the basis of academic merit and all academic applications will automatically be considered.
- The University will use official transcripts and certificates, submitted as part of the original application, as evidence of grades achieved and no alternative supporting evidence will be accepted.
- Applicants who have firmly accepted an offer of a place by **30 September 2013**, and met the academic conditions of entry, will be considered for these scholarships. Applications submitted after that date may be considered depending on availability of funds.
- Successful applicants will be informed, in writing, by the end of October 2013 of any award to be offered.

### Payment arrangements

- These scholarships will only be made available as a partial waiver on the tuition fee that is payable on registration at the University.

These terms and conditions apply to the academic year 2013-14. The University of Essex reserves the right to update these terms and conditions as necessary.
