**University of Bradford** Academic Excellence Scholarships for EU and **International Master's** students

**Please do not apply for this scholarship until you've been offered a place to study at the University of Bradford.** You need to provide a copy of your offer letter with your scholarship application.

These scholarships are to celebrate academic excellence in our student population.

### How much could I get?

The scholarship is worth a third of the tuition fees for a Master's course. There are 15 scholarships available including one MBA scholarship.

### How do I apply?

You can open a copy of the application form here, fill it in online and then print it off and send it in to us. Or you can print it off and fill it in by hand – whichever suits you best.
