The [University of Adelaide](#) offers a scholarships scheme for [international](#) students undertaking [postgraduate research](#) study. Its purpose is to attract high quality overseas postgraduate students to areas of research strength in the University of Adelaide to support its research effort. The selection for scholarships is extremely competitive.

A number of ASI scholarships may be available in the mid year round of scholarships for 2013 to outstanding international students from any country undertaking postgraduate research in any academic discipline.

The ASI provides:

1. Course tuition fees for two years for a Masters degree by Research and three years for a [Doctoral](#) research degree (an extension is possible for doctoral programs only);
2. An annual living allowance of approximately \$24,653 (2013 value) for the normal duration of the program; and
3. If the award holder holds a subclass 574 visa the award covers the cost of compulsory standard Overseas Student Health Cover (OSHC) Worldcare policy for the student and their spouse and dependents (if any) for the period of the scholarship. If the award holder does not hold a subclass 574 visa then he/she is responsible for the cost of health insurance.

The scholarship does NOT cover visa application fees.

Applicants should hold at least the equivalent of an Australian First Class Honours degree. This is a four year degree with a major research project in the final year. Other criteria that will be taken into consideration is [undergraduate](#) performance, bachelor and honours awards and scholarships, other postgraduate degrees, publications in internationally refereed journals, the presentation of conference papers and relevant industry experience.

Applications for these scholarships are always highly competitive. Generally ASI recipients have completed a Masters degree including a significant research component and have several publications and relevant work and research experience.

Conditions

- ASI Scholarship will be awarded strictly on academic merit. Extra-curricular achievements will not be considered.
- Citizens and Permanent Residents of [Australia](#), and citizens of [New Zealand](#) are ineligible.
- Those undertaking research via remote candidature are ineligible.
- International applicants are not eligible for an ASI if they have already commenced the degree for which they are seeking an award, **unless** they can establish that they were unable to apply for an ASI in the last round.
- International applicants who have not provided satisfactory evidence of their meeting the University's minimum [English language proficiency requirements](#) for direct entry by the closing date are not eligible for an ASI.
- International applicants must not hold a research qualification regarded by the University of Adelaide to be equivalent to an Australian Research Doctorate degree or, if undertaking a Research Masters degree, not hold a research qualification regarded by the University of Adelaide to be equivalent to or higher than an Australian Research Masters degree.
- Candidates are required to enrol in the University of Adelaide as 'international students' and must maintain 'international student' status for the duration of their enrolment in the University.
- Scholarships holders must commence study at The University of Adelaide in semester 2, 2013. No ASI may be commenced after 30 November 2013.
- Scholarship winners will not be permitted to defer commencement until 2014.

- **Applicants who applied in previous internationalmajor scholarship rounds are not eligible to apply again.**
- The offer of an ASI scholarship is contingent upon a student not being offered another award by the [Commonwealth](#) of Australia, The University of Adelaide, or an overseas sponsor. The University reserves the right to withdraw an offer of a scholarship at any time prior to enrolment if it is advised that a awardee has been offered a scholarship equal to or in excess of the financial value of the award offered by the University

Closing Date: 12 April 2013. We strongly recommend that all applicants submit their application and all required documents well before the closing date. Incomplete applications at the scholarship application deadline will not be considered for a scholarship.
