Faculty of Science International Scholarships, University of Strathclyde, UK

<http://scholarshipsbank.com/faculty-of-science-international-scholarships-university-of-strathclyde-uk/>

The Faculty of [Science](#) is delighted to announce the introduction of their Times Higher [Education](#) UK University of the Year [International](#) Scholarships.

To celebrate the Times Higher Education UK University of the Year 2012 Award to the [University of Strathclyde](#), the Faculty of Science is delighted to announce the introduction of a new International Scholarship scheme. This is open to students applying to both [undergraduate](#) and [postgraduate](#) Masters courses.

Award value

Each scholarship has a value of **up to** £3000 to be used towards the cost of tuition fees. Successful undergraduate students will receive this for each year of their [degree](#), subject to satisfactory progress.

Eligibility Criteria

Applications for scholarships are open to students who meet the following criteria:

- The student must be an international student from outside the EU
- The student must be self-funded i.e. not sponsored by Government, employer or educational institution
- The student must have accepted a conditional offer for a full time undergraduate degree or a one year full time Postgraduate Masters course (excluding MSc Clinical [Pharmacy](#)) in the Faculty of Science by 31 May 2013
- The student must be able to demonstrate academic excellence based on previous study
- The student must provide evidence of a desire to study at the University of Strathclyde, THE UK University of the Year 2012

Application Process

Applicants should download and complete the [International Scholarship Application Form](#) and email the completed form to science-enquiries@strath.ac.uk

The deadline for submission of completed applications is **31 May 2013**.

Applicants will be informed whether their application has been successful by 15 June 2013.
