The **Health Sciences Honours Program Scholarships** are awarded on the basis of outstanding academic achievement at [Undergraduate](#) level and are available to all students.

Value

- Scholarships may be awarded for 25%, 50% or 100% of tuition fees.

Availability

The number of scholarships awarded each year (if any) will be determined by the Faculty based on the applicant pool.

Eligibility

- These scholarships are awarded on the basis of outstanding academic achievement at Undergraduate level
- GPA or interim GPA of ≥ 2.5 (on a four-point scale) = 5.5 (on a seven-point scale) or across their final twelve non-core subjects of their [degree](#) program
- Suitability of proposed project and availability of dual supervisory arrangements
- Their additional experience, skills and qualifications

Selection Criteria

The selection of successful candidates will be made based on the applicant's ability to meet the eligibility and selection criteria outlined.

- Applications close on the last Friday in November each year.
- Applications must contain details of the proposed project, supervisors and evidence of an interim GPA of ≥ 2.5 (on a four-point scale) = 5.5 (on a seven-point scale)
- The Honours Convenor will rank applications on merit.
- Applicants may not all receive the same value scholarship while some may not be offered a scholarship.
- At [its](#) December meeting the Faculty [Research](#) Committee will consider the ranking and approve the value of any scholarship awarded.
