Informatics Masters Scholarships (2012)

Up to seven scholarships are available with a value of £3,000.

Type of award: [Postgraduate](#) Masters

Award amount: Reduction in tuition fees of £3,000.

Eligibility

Scholarships will be awarded to [international](#) students who possess the highest academic ability and potential, on the following Masters degrees:

- Advanced [Computer Science](#) MSc
- [Computing](#) with Digital Media MSc
- Evolutionary and Adaptive Systems MSc
- Human-[Computer](#) Interaction MSc
- [Information Technology](#) with Business and [Management](#) MSc
- Intelligent Systems MSc

The scholarships are awarded on academic merit and not on the basis of financial need.

To be eligible, you must: be applying for one of the above Masters degrees; commence the degree in October 2012 (awards cannot be deferred to subsequent years); and be classified as paying "overseas" (non-EU) tuition fees. Current Sussex [undergraduate](#) international students are eligible to apply. If you are awarded one of these scholarships you may not also hold a Chancellor's International Scholarship. Awards will be made at the discretion of the Department.

Procedure

To apply, complete the:

[Informatics Masters Scholarship Application form \[DOC 67KB\]](#) or
[Informatics Masters Scholarship Application form \[PDF 105KB\]](#)

When completed, send your scholarship application form to the Informatics Programme Co-ordinator (contact details below). Please note that you should not apply for a scholarship until AFTER you have submitted a corresponding application for a place on one of the above Masters degrees.
