International Student Scholarships, University of Cumbria, UK

<http://scholarshipsbank.com/international-student-scholarships-university-of-cumbria-uk/>

The university is delighted to announce the launch of a new [international](#) scholarship programme for 2013 entrants. We have nine scholarships available:

- 100% of the tuition fees for one year of study (three scholarships available)
- 50% of the tuition fees for one year of study (six scholarships available)

There are also some additional scholarships of £500 – £1000, for further information please email scholarships@cumbria.ac.uk

Scholarships will be awarded on a merit basis for outstanding academic achievement. International applicants, who hold an unconditional offer and have accepted their place, are eligible to apply for a scholarship.

Applicants must hold an offer of a place of study on an eligible full-time [bachelor's](#) degree, top-up degree or a taught [master's](#) degree (180 credits) at the [University of Cumbria](#). For students enrolling on programmes lasting more than one year the scholarship is awarded for the first year of the programme only.

Students in most courses, including [business](#), creative arts, law, [science](#), [literature](#), TESOL, sport, outdoor and [social sciences](#), may apply for the scholarship programme. Unfortunately scholarships are not available for NHS-funded courses (i.e. [Nursing](#), Physiotherapy, Radiography or Social Work) or for degrees leading to Qualified [Teacher](#) Status (QTS).

If you are not sure if your course is eligible for the scholarship programme, please email scholarship@cumbria.ac.uk for more information.
