La Trobe University Postgraduate Research Scholarships (LTUPRS), Australia

<http://scholarshipsbank.com/la-trobe-university-postgraduate-research-scholarships-ltuprs-australia/>

La Trobe University Postgraduate Research Scholarships (LTUPRS)

International students who want to study a higher degree by research at a Master's or PhD level can also apply for the La Trobe University Postgraduate Research Scholarships (LTUPRS).

The La Trobe University Postgraduate Research Scholarships are valued at A\$19,231 per annum for full-time study and is designed to assist with cost of living (cannot be used to pay tuition fees).

The closing date for these scholarships is **30 September** for students who wish to begin their studies the following year.

Scholarship recipients must be ready to commence no later than 30 June in the year after application. Please note also that scholarship offers will be made conditional on evidence of English language proficiency.

International students may apply for this scholarship when they apply for admission to La Trobe University. A separate application form is not required, although applicants should note that they may be required to submit further documentation on request (e.g. thesis chapter/s in English translation).
