Master of Biotechnology by Coursework Scholarship, RMIT University, Australia

<http://scholarshipsbank.com/master-of-biotechnology-by-coursework-scholarship-rmit-university-australia/>

If you are an [international](#) student commencing an **RMIT Master of [Biotechnology](#)**, this scholarship could assist towards your tuition fees.

Value and duration

Scholarships are initially for one year but are reassessed at the end of your first year at RMIT. The value is \$5000 per year.

Eligibility

To be eligible for this scholarship you must:

- be an international student
- not be a citizen of [Australia](#) or [New Zealand](#)
- be commencing full time study at RMIT in one of the following:
 - Master of Biotechnology
 - Master of Biotechnology (Clinical [Microbiology](#))
 - Master of Biotechnology ([Environmental](#) and [Agricultural](#) Biotechnology)
 - Master of Biotechnology (Food Microbiology)
 - Master of Biotechnology (Food Science and [Technology](#))

If you are already studying at RMIT and have completed the first year of one of the above programs you may still receive a scholarship. This could happen if not all the available scholarships were allocated to new students that semester.

How to apply

There is no scholarship application form; your application for the Master of Biotechnology (by coursework) program automatically enters you for the scholarship.

The Scholarship Selection Committee will consider your academic results from your [undergraduate](#) degree when assessing you for a scholarship.

Open date

There is no open or closing date. You will be notified about whether you have received a scholarship by **30 June** for the July intake and **15 February** for February intake.
