The *Master of Business Administration (MBA) scholarships for 2013* entry are open to Home, EU and [International](#) students. You can apply to be considered if you:

- Are fully self-funding
- Have applied to, and been offered a place on, the MBA programme

Master of **Business Administration** (full time – one year and two year programmes) Scholarships & Bursaries

We are offering one full scholarship (100% reduction off the course fee) and a number of scholarships at 50% and 30% reduction off the course fee are available. Please note the scholarships cannot be taken in conjunction with any other discount or [bursary](#) offered by the University with the exception of the 2% early payment discount which is applied to the net value of the fee. The early payment discount is available to self-funding students who pay their tuition fee in full in advance of the beginning of the academic year.

Please complete the [Master of Business Administration Scholarship Application Form](#) ([Word version](#) if required), and submit this for the first round of scholarships no later than 21st December 2012 for the first round, 1st March 2013 for the second round and 31st May 2013 for the final round of scholarships. Successful scholarship applicants will be required to accept their place on the programme within four weeks of notification in order to obtain the reduction in the fee. International self-funding students who are not applying for a scholarship can find information about the GOAL Award International Student Bursary Scheme by visiting the international student bursary page.
