Faculty of [Science](#), [Technology](#) and [Engineering](#) Scholarships Partial fee-waiver scholarships

These scholarships are available to [international](#) students taking up courses offered by the faculty. Scholarships between A\$3000 and A\$6000 are offered as a one-off partial fee waiver for [undergraduate](#) courses commencing in 2011.

Eligibility

The scholarship is open to all international students commencing degrees within the Faculty of Science, Technology and Engineering in 2011.

Students must have submitted an application and received an unconditional letter of offer by the scholarship closing date for a course commencing in 2011.

How to apply

Applicants must complete a [scholarship application form \(PDF 66kb\)](#) and submit it to intapplication@latrobe.edu.au with a copy of their offer letter.

Please note the subject heading of the application email needs to say 'Application for FSTE'.

Selection process

Selection is based primarily on academic excellence. Only students with a minimum 70% or equivalent, and who have received an unconditional letter of offer can be considered.

If the overseas grading system does not conform to a 70% equivalent but is still of high standard, students may still be considered.
