PhD in Genomic Medicine and Statistics, University of Oxford, UK

<http://scholarshipsbank.com/phd-in-genomic-medicine-and-statistics-university-of-oxford-uk/>

[Genomic Medicine and Statistics](#)
[University of Oxford](#)

The [Medical Sciences Division](#) is pleased to announce the availability of PhD [studentships](#) in the following 4-Year [Wellcome Trust Doctoral Programme](#):

Genomic Medicine and Statistics

The 4-year programme will comprise a combined first year and a 3-year self directed [research](#) project. The first year will include taught modules and laboratory rotations designed to equip students with the knowledge to make an informed choice of doctoral project.

The programme is available for admission in October 2010 and is open to all Home/EU and overseas students. A starting stipend of approximately £18,685 per annum will be provided. Tuition fees will be paid at the Home/EU rate.

Further information on `How to Apply` is available [here](#). Enquiries should be directed to [enquiries\[at\]msdtc.ox.ac.uk](mailto:enquiries[at]msdtc.ox.ac.uk)

Find out more about this programme here: http://www.well.ox.ac.uk/Graduate_Opportunities.shtml

The deadline for receipt of applications is **14 May 2010**.
