PhD Scholarship in Mathematics, Physics & Astronomy, University of Sussex, UK

<http://scholarshipsbank.com/phd-scholarship-in-mathematics-physics-astronomy-university-of-sussex-uk/>

The **School of Mathematical & Physical Sciences (MPS)** will offer one **School Postgraduate Scholarship** for a student wishing to study for *the PhD in [Mathematics](#), the PhD in [Physics](#), or the PhD in [Astronomy](#)*, starting *September 2013*.

University of Sussex

The award is for any branch of Mathematics, Physics or Astronomy within the School. Applicants can find details of [research](#) in the Department of Mathematics, and the Department of Physics & Astronomy, on our webpages.

The awards consist of a fee waiver or partial fee waiver for 3.5 years.

For a UK or EU student, a full fee waiver, (currently £3828 per year, in 2012-13) is offered.

For an Overseas student, a partial fee waiver is offered which will be sufficient to reduce the student's fee charge to the same level as a UK student. (That is, the difference between the Overseas fee rate and the UK fee rate will be waived).

The Scholarship holder will be expected to undertake 60 hours of [teaching](#) undergraduates each year. Training for teaching will be given after registration in September.

Type of award

Postgraduate Research

Award amount

A fee waiver (UK or EU student) or partial fee waiver (Overseas student) for a PhD student, for 3.5 years.

Eligibility

Applicants should hold, or expect to hold, a first or upper second class honours [degree](#), or a [Master's](#) degree with Merit, in Mathematics, Physics, Astronomy, or a closely-related subject. Equivalent qualifications from non-UK universities will be considered.

EU (non-UK) applicants and Overseas applicants, must show evidence of [English](#) ability at [IELTS](#) 6.5 (with 6.5 for Writing), or equivalent qualification.

Because there is no matching funding for this award. Applicants must have a source of additional funds to cover living expenses and any remaining fees.

Procedure

Applications must be made via the Sussex on-line application system.

If possible, you should name a preferred supervisor or research team in your application. Follow the links above to view the research teams in MPS.

You must supply a Project Proposal with your application.

In the Funding section of the application state that you are applying for the School Postgraduate Scholarship in Mathematics & Physical Sciences.

Applications are now open.

Timetable

- Deadline for applications: **30 April 2013**.
- A decision is expected in late May 2013.
- If the position is not filled it will be re-advertised in late May.
- Start date: September 2013.
