PhD Studentships, School of Life and Health Sciences, Aston University, UK

<http://scholarshipsbank.com/phd-studentships-school-of-life-and-health-sciences-aston-university-uk/>

PhD [Studentships](#) for [international](#) overseas students with bursaries available against fees. Projects are available in [research](#) groups allied to [Biomedical](#) Sciences, Biology, Pharmacy, [Optometry](#) and [Psychology](#).

Applications are invited for three year Research Studentships to be undertaken in the [School of Life and Health Sciences](#) at [Aston University](#) to start in July or October 2010.

The School of Life and Health Sciences is equipped with state-of-the-art facilities to pursue cutting-edge research. In the 2008 RAE, 85% of the research in the School of Life and Health Sciences was ranked as being of international quality, and the School was ranked 3rd out of 61 UK University submissions to Allied Health Professions and Studies for quality and volume of research. The School currently has a research income of about £8m, with approximately 75 research students, (part time and full-time), who are registered in the School each year.

Project Details

Projects can be viewed by research topic and research supervisor at <http://www1.aston.ac.uk/lhs/research/postgraduate-research/>

Financial Support

The projects are available to students meeting the University and School academic entry requirements and bursaries for international students will be awarded competitively on merit. The bursaries for international students will cover payment of £6,000 against the international fee of £12,650 per annum.

Application Requirements

- Applicants should have or expect a good honours degree (either first class or upper second class) or hold an MSc in a relevant discipline.
- The English Language requirements are a minimum score of 620 (260 minimum in computer test) in [TOEFL](#) OR [IELTS](#) with minimum marks of 6.5 in each section and an overall band of 7.0.
- The studentships are for 3 years, subject to a satisfactory progress review at the end of the first year, and are available for July 1st and October 1st 2010 registration.
- For an application form please visit: http://www1.lhs.aston.ac.uk/pabs/pgprojects/application_form.pdf
- Closing Date: Monday, **10 May 2010** for July entry or 9th August 2010 for October entry.
