<http://scholarshipsbank.com/postgraduate-research-graduate-school-scholarship-2010-the-faculty-of-science-and-technology-university-of-plymouth-uk/>

The Faculty of Science and **Technology** will award one **Postgraduate Research Graduate School Scholarship** (PGR GSS) to cover Home/EU tuition fees plus a stipend (£13,290 pro rate for 2009/2010).

This scholarship will be awarded to a new, full-time student for three years (subject to satisfactory progress) commencing in January 2010. Both Home/EU and **International** students are eligible to apply, with the expectation that International students secure funds to meet the difference between Home/EU (£3,400 p.a.) and Overseas (£10,000 p.a.) tuition fees for the duration of their programme.

Applications are invited for the projects listed below. Please contact Mrs Carole Watson (email: c.watson@plymouth.ac.uk, tel: +44 1752 586001) for more information.

1. Design and **Development** of an Intelligent Biomimetic Autonomous Robotic Fish
2. Composite **materials** for application in marine **renewable energy** systems
3. Sustainable Bio-Derived Foams for Marine Applications
4. Use of energy dissipaters to reduce wave uprush
5. Violent Wave Impact **Modelling** for coastal and offshore structures
6. A novel entropy approach on the evolution of beach profiles
7. Statistical Modelling for Sea Condition data via Quantile function modelling
8. Nonlinear modelling of sandbank dynamics

Candidates should have a first or upper second class honours degree in a relevant discipline. Applicants with a relevant MSc or MRes would be particularly welcome.

Applicants should send the following documentation to Mrs Carole Watson, Faculty of Science and Technology Research Administrator, Room A503, Portland Square, Plymouth, PL4 8AA or email to c.watson@plymouth.ac.uk.

- Two references in envelopes signed across their seals
- Copies of transcripts and certificates
