Siam Cement Group (SCG) Foundation Scholarships, Thailand

<http://scholarshipsbank.com/siam-cement-group-scg-foundation-scholarships-thailand/>

Siam Cement Group (SCG) Foundation provides scholarships for the government staff and general public in Vietnam, Cambodia, Laos, and Indonesia to pursue their studies in the Bachelor, Master or Doctoral level at the leading educational institutions in Thailand.

SCG Foundation was established to carry out activities dedicated to social contribution, human resources [development](#) especially of children and youth, creating sustainable benefits for all the communities and countries where SCG operates.

SCG Foundation is committed to expanding educational opportunities to the Southeast Asian countries in the hope of helping to develop their human resources so they can contribute to the development of their own countries.

For this year, SCG Foundation also continue offering scholarships opportunities to talent students of ASEAN countries to come study in Thailand
