Frequently Asked Questions

1. Are the scholarships available to study in other universities

No, the Sussex Graduate Scholarship can only be held at the University of Sussex.

2. If I am a current Sussex student am I eligible?

Yes, this is for you if you are a final year undergraduate at the University of Sussex. But, you must be intending on going straight on to study an eligible full-time Masters course at Sussex immediately on completing your undergraduate studies in 2013. If you wish to take up this award, you are not permitted to defer.

3. I am an overseas student for fee purposes am I eligible to apply?

You are eligible if you are a current Sussex undergraduate student and do not intend to defer between completion of your undergraduate studies and your Masters. It does not matter if you are from the UK, EU or outside the EU.

4. If I am offered a scholarship but defer my place at Sussex, can the scholarship be carried over to the next year?

Unfortunately, it is not possible to carry over the scholarship to another year. However, if you intend to defer and are from the UK/EU and hold a first class degree from a UK University and meet our entrance requirements you may be eligible for the Chancellors Masters Scholarship. If you are classified as an overseas student for fee paying purposes and hold a good degree, you may wish to apply for one of the 25 Chancellors [International](#) Scholarships available for postgraduate taught study at Sussex.

5. If I have funding from another source can I also apply for a scholarship?

Yes – the scholarships are available to funded and self-financing students. However, you cannot be in receipt of this award and research council funding i.e. as part of the ESRC funded 1+3 scheme or AHRC funded masters courses. If you receive an additional fee waiver from a School or department at the University the total amount of the combined fee waivers cannot exceed the total amount of the tuition fee.

Your account will be credited with either £3,000 or £2,000 once you have been admitted.
