## Application Procedure

- No separate application for a Sydney Achievers International Scholarship is necessary.

- All applications meeting the selection and eligibility criteria resulting in unconditional Offers of Admission will be automatically considered.
- The **deadline** for receipt of applications and complete supporting documentation (academic and English language proficiency results) is **15 January 2013** for Semester 1, 2013, and **30 June 2013** for Semester 2, 2013.
- Successful candidates will receive an Offer of a Scholarship with the Offer of Admission.
- Applications received after these deadlines will not be considered.
- Candidates applying through the Universities Admissions Centre (UAC) will be considered in January 2013.

*Due to the limited number of Scholarships available, applicants are not guaranteed a Scholarship (even if they meet the selection and eligibility criteria) especially if offers made to early applicants have all been accepted. Candidates are, therefore, strongly encouraged to apply early for admission in order to maximise their chances of being considered for a Scholarship.*

## Selection Criteria

- Selection will be based strictly on academic merit as per the University's admission requirements.
- Selection will be based on actual results (academic and English language proficiency). Predicted/forecast results will not be considered.
- Only applicants with firm, unconditional offers of admission will be considered.
- Selection will be made by the International Student Office, whose decision will be final. No appeals will be entertained.
- With the exception of UAC applicants, for whom Scholarship offers will be issued after 15 January 2013, all successful candidates will be offered a Scholarship along with the Offer of Admission to the University of Sydney.

## Conditions

- Scholarship recipients will need to maintain satisfactory academic progress, which, for the purposes of retaining the Scholarship, is defined as maintaining a credit average (at least 65%) or more each year. Failure to do so may result in the Scholarship being terminated.
