Science International Scholarships 2010 The University of Sheffield

The University of Sheffield is an international leader in teaching and research and you are assured of a warm welcome and an excellent education.

Science International Scholarships 2010 The University of Sheffield

We are pleased to offer Science International Scholarships to all international [undergraduate](#) students commencing their studies in the Faculty of Science in September 2010.

The scholarships are worth £2,000 per year each.

Eligibility and Award Criteria:

- You must hold an offer of a study place and begin your undergraduate studies in September 2010 in one of the following departments: Animal and Plant Sciences, [Biomedical](#) Science, [Chemistry](#), [Mathematics](#) and [Statistics](#), [Molecular](#) Biology and [Biotechnology](#), Physics and Astronomy, [Psychology](#).
- You must be self-funding and classified as overseas for tuition fee purposes.
- The scholarships will be awarded automatically – no application is required in first or subsequent years.
- The scholarships will be awarded unconditionally in the first year of studies. Award in subsequent years of study is subject to the achievement of 60% overall average mark.
- The scholarships will take the form of a tuition fee reduction.

The University of Sheffield offer many different world class programmes for prospective international students so you can find the right course for you. At Sheffield we offer a huge range of undergraduate degree courses. Our flexible programmes mean that you can often tailor your study to your needs.
